# PERSONAL VEHICLE USAGE RECOMMENDATIONS

Please provide a copy of this document to every potential driver. Drivers must:

- Be at least 21 years of age
- Have a valid driver's license and current vehicle insurance.
- Verify that the vehicle is in good working order (tires, wiper blades, all lights, etc.).
- Require occupants to wear seatbelts.
- Not engage in "distracted driving" (no cell phone, texting, eating, drinking, reading, navigation system adjustments, or boisterous children disciplined while the vehicle is in motion).
- No overloaded vehicles.

For long trips, ensure that there are sufficient drivers so that no one is required to drive more than 11 hours at a stretch.

If someone other than the owner will be driving the vehicle, obtain information on the owner's insurance (company name, policy number, and policy term) and give this information to the person who will be driving the vehicle. The driver will need this information if an accident occurs. Adventist Risk Management does not recommend the use of non-owned autos on approved events. If non-owned vehicles are used, however, adhere to the following guidelines: Adventist Risk Management's auto insurance policy provides coverage for non-owned vehicles on an excess basis. It is designed to protect the organization, not the vehicle owner. In the event of an accident, the vehicle owner must go to his/her insurance company first.

Make sure drivers understand that their personal auto insurance is "primary" and that his/her insurance is responsible for any damage done by the vehicle or to the vehicle. Agree with the owner or driver on who will be responsible for any comprehensive or collision deductibles that might apply to damage done to the borrowed vehicle.

Every insurance policy contains limits, conditions, and exclusions. Read the policy carefully, because it may not respond to all claims for damage.

# GUIDELINES FOR VOLUNTEERS & CAREGIVERS

Directors: Please keep this form for your records

Because our society is filled with pain, problems, and litigation caused by improper conduct of adults working with children and youth, it is imperative that those working with children at church have meaningful guidelines for conduct – to protect both themselves and those under their care. As a ministry volunteer, you want parents and others to feel comfortable and confident with you. Here are some practical guidelines:

1. ***Never leave a child alone – or group of children – for whom you are responsible.*** Always provide adequate supervision, no matter what.
2. ***NEVER be the only adult*** serving as a caregiver – ALWAYS have at least one other person 18 or older with you.
3. ***Always ask a person's permission before touching*** him/her anywhere, even when responding to an injury or problem. This is especially true for any area that would normally be covered by a T-shirt and shorts. If an injury is within this area, make sure another adult works with you as you provide care.
4. ***Physical and verbal attack are inappropriate*** and should not ever be used as discipline.
5. ***Kids need to be touched appropriately.*** However, keep hugs brief and “shoulder-to-shoulder” or side-to-side.” Always keep your hands at (not below) the shoulder level. A caregiver kiss is to the forehead or cheek only – not elsewhere. For small children who like to sit on laps, encourage them to sit next to you.
6. ***When taking small children to the bathroom*** – take another adult along or leave the door open.

Everyone in the state of NJ is a mandated reporter. A caregiver can be held legally responsible for failing to report suspected or actual child abuse.

**If you suspect abuse, please call (877) NJABUSE.**

Be loving, kind, firm, and always professional as a caregiver. Working with children and youth at church is not only a privilege; it is also a deep responsibility that must be approached with utmost care.

Adventist Risk Management and the North American Division Secretariat mandate the following rules for leaders. These serve as a protection to you and your ministry against charges of abuse:

- ***The volunteer screening rule.*** All volunteers must complete the screening process described on the Volunteer Ministry Information Form. (<https://adventistyouthministries.org/files/safety-guidelines/NAD-Guidelines-and-Procedures-For-Well-Trained-Staff.pdf>)
- ***The six-month rule.*** Do not recruit a volunteer who has been a regular attendee for less than six months.
- ***The two-person rule.*** Have at least two adults present always.
- ***The glass window rule.*** If the door to a classroom does not have glass in or around it, the door should be left open, so that the teacher is in full view.

**I, the undersigned caregiver, have read the guidelines listed above and agree to abide by them. I will obtain a copy of this signed form and keep it for reference.**

# ADVENTURER BIBLE GAME 2025

## Exodus 2-5, 7-20

The Adventurer Bible Game is the Official North American Division Adventurer Bible learning program. The program is created to challenge older adventurers to use their reading skills and their amazing ability to memorize the Bible.

It is intended to be a family-based activity with parents and Adventurers studying the Bible together. Each year new passages of scripture are assigned (alternating Old Testament and New Testament) and excited Adventurers and their parents/caregivers commit themselves to study those passages of God's Word.

The Adventurers are tested over the assigned passages. Because this Bible activity has a different focus than Pathfinder Bible Experience, a 6-year rotation of Bible content has been created that will help introduce Adventurers to the major stories and themes of the Bible.

### Location

It will be hosted in two locations

### Adventurer Bible Game Instructions

With this document, your club and conference will be able to understand how the Adventurer Bible Game works and what are the expected practices and outcomes. Contact the NJC Youth Office or the State Adventurer Coordinator for more details regarding ABG.
